

Two-Man Umpire Mechanics CD

This CD is the **first of its kind** for amateur umpires. The CD includes over 200 graphics. It is a comprehensive, easy-to-follow and self-paced training program designed to **help all umpires** regardless of their level of experience. Enjoy a QUIZ at the end of the CD to test your knowledge!

Quality training produces quality umpires. The Academy is confident that after studying this fun and easy-to-follow program, your competency and confidence level in umpiring will be enhanced.

You'll Learn:

- Stances
- Basic Signals
- Basic Mechanics
- Handling the Mask
- The Concept of the Slot
- The Concept of the Stance
- Play Recognition Mechanics
- Basic Two Man Responsibilities

There's even a quiz to **test your knowledge** at the end of the program. **ORDER TODAY!**

"The Academy has been a long time in coming. It's way ahead of its time! I personally guarantee that this is the best training available for aspiring umpires of any background."

John Woods, AA Minor League Umpire
Former Instructor at Jim Evans Academy of Professional Umpiring

"The Arizona Umpiring Academy provides the most comprehensive level of instruction. No matter what your experience level, you will benefit from this quality educational product."

Sam Palmer
Umpire Supervisor Western Region Little League
